

7.2.1

Best Practice 1

1- Title of the Practice

Organization of blood donation camp in the Institute.

2- Objective of the practice

- Service to the community.
- Provide safe and uncontaminated blood.
- Provide blood free of cost.
- Encourage students to donate blood.

3- The Context

Blood donors save lives and they are the basis of a safe and sustainable distribution system of blood components. A safe and reliable blood donation system provides support for better health facility.

4- The Practice

The institution has organised blood donation camp along with blood grouping for all the stakeholders in association with the Red Cross unit. The blood banks were invited with prior approval of competent authorities. In this camp, maximum students got their blood group checked and the volunteers donated blood.

5- Evidence of success

- Institution organized blood donation camp on 18 May 2022 with the collaboration of Red Cross and N.C.C. unit.
- In this camp 83 students participated and donated blood voluntarily.
- Fruits and juices were distributed to blood donors after blood donation.

6- Problems encountered and resources required

Since the blood bank brought limited pockets, so most of students were not able to donate blood. The arrangements for blood grouping in large number were not sufficient.

Completed.

7.2.1

Best practice-2

1- Title of the practice

Celebration of World Environment Day

2-Objectives of Word Environment Day

- To save environment.
- To create global community that is concerned with the environment's wellbeing.
- To train and motivate youngsters to live in harmony with nature.

3-The Context

World Environment Day puts a global spotlight on the environmental challenges of our times. It has become the largest global platform for environmental outreach, with millions of people from across the world engaging to protect the planet.

4-The Practice

World Environment Day on 5 June is the biggest international day for the protection of environment led by the United Nations Environment Programme(UNEP) and held annually since 1973. The higher education celebrated this day to spread awareness among students about various environmental issues and to encourage them to protect the environment.

5-Evidence of success

- Institution had organised a poster making competition on the theme 'Save Trees Save Earth'.
- The staff and students of the college planted trees at college campus .
- College organised a cleanliness programme to spread awareness among students.
- Oath was taken to save environment.

6-Problems encountered and resources required

We have not encountered any problem because all the staff and maximum students of institute participated in all activities with great enthusiasm and all the resources were available during whole practice.
